

Aprille Trupiano *International Expert on Leadership, Radio & TV Show Host, Speaker, Author* is described by clients as being bold, straightforward, high energy, vivacious and dedicated. She is a published author working on her second book, "Click! Leadership Secrets to Thrive in Your Business and Love Your Life" due out in Fall of 2011. Aprille hosts "Click! Power Hour with Aprille Trupiano" on iWatchRadio.com, is a radio co-host on "How to Promote Your Business" on KFNS, the Fox Sports Network and is also the host of a newly launched local TV show on business and lifestyle called the "Streetscape Show".

Aprille has been an entrepreneur since the age of 20, building enterprises – for herself, family and others – even growing them from the ground up into six and seven figure businesses. She's been trained by world class leaders and shares that expertise when working with clients and audiences around the globe. Aprille has lived in the US and Italy, where she's delivered training for private clients, small organizations, mid to large sized companies and governmental agencies. Her practical mix of how-to and high dose of inspiration leaves people empowered and effective. Her proven system, "The Power of Click", catapults clients to the extraordinary in their business and the miraculous in their life, where all their purest desires, their most intense passions are reborn. As they develop in their **Vision, Leadership and Legacy**, Aprille's clients become fully engaged in their life and their inevitable success surfaces so they're fully realized as they are born to be and living their most passionate life!
